All Souls Chapel - Poland Spring - Maine

Dear Marcia Rickey -

Here is where we've been going to church every Sunday since we arrived. We like this place immensely, and are kept awfully busy just being lazy and doing nothing. Next week your Grandmother and Uncle Charlie will be here and you can imagine how we will enjoy showing them the sights. Am so glad you like camp life, and know you will

hope this is telling when we will reach home again. Had a nice letter from dear Mr. Otterbein and he wishes me success with his camp. Planning today and Dad's going to take me riding. Will be home soon to Portland. Quite often we handled some neighborly drive. Love Dad.
